

The Joint Conference CIB W78 - LDAC 2021 will take place in Luxembourg between 11-15 October 2021 and is associated with the **International Council for Research and Innovation in Building and Construction (CIB)**, its **Working Commission W78 on Information Technology for Construction** and the **Linked Data in Architecture and Construction** research community. This event is organized by the **Luxembourg Institute of Science and Technology (LIST)** in collaboration with **Cardiff University** (UK) and the **European Construction Technology Platform** (ECTP).

The **38th CIB W78 conference** on Information and Communication Technologies for AECO and the **8th LDAC workshop** aim to bring together an international community of researchers and industrials interested in the areas of **Construction Informatics, BIM, Digital Twin and Knowledge Management**. The scope of the conference is broad in terms of the design, construction and operation and occupancy of constructed facilities, but it primarily relates to the integration and communication of data, information and knowledge in the life cycle of a facility.

The event, which takes place over a full week in the Grand-Duchy of Luxembourg, will comprise **keynote speeches** from recognized scientific and industry speakers, **parallel scientific sessions** of CIB-W78 & LDAC presentations of scientific papers and **industry sessions** addressing the hot topics faced by the AECO industry companies.

The conference will also host **workshops organized by EU-funded projects consortia** in close collaboration with the European Construction Technology Association (ECTP) objectives and roadmap.

TOPICS

- Construction Informatics
- Building Information Modelling
- Digital Twin
- Knowledge Management

VENUE

LDAC 2021 will take place in Belval (Luxembourg) at:
Bâtiment administratif - Fonds Belval
1, avenue du Rock'n'Roll
L-4361 Esch-sur-Alzette

CIB W78 will take place in Luxembourg at:
Centre Culturel de Rencontre - Abbaye de Neumünster
28, rue Münster
L-2160 Luxembourg
